Mari Crawford
C/O: Neurodiverse Review

28 September 2023

Dear Mari

I am delighted to write this letter of congratulations on your recent win of the Bounce Emerging Artist Award at the Edinburgh Fringe Neurodiverse Review Awards on the 24th August 2023. Your show 'Bipolar Badass' showed real strength and was very well received.

It has been great to hear about the range of diverse acts at the Fringe this year including autistic and disabled led shows, as well as those with a focus on mental health. It is really important that people are able to see the great diversity and creativity on show at the Fringe.

Congratulations again on your much deserved success. I wish you all the best as you go forward and hope that you make it back to the Fringe in 2024.
